

Hi, Dave & Todd:

I don't know how you do it, but each year you outdo yourselves with the quality of the show-----it was truly a pleasure to compete yesterday----your show is best run, competitor oriented one around---thank you both for going the extra mile to make sure that everything ran smoothly---it was a wonderful experience!!!! You both put in the extra time and it really shows---I heard so many competitors back stage remark that this was a truly "feel good show"----Kudos to you both!!!!

Once again, Dave, you produced a professional, well-run, show! Getting Jay Cutler was the bomb, too! All the competitors that I heard talk about the show had only positive comments, and like me, are proud to be in a tested show, and also a tough show, which is good competition!

I'm glad to be a part of the program and extremely pleased with how I did.
Congratulations to you!

Diana

The show was AWESOME, so was JAY. JANE can't get over how big he is. The seminar was really cool. but what took the cake was,. when he went into the audience and posed there. That as UN-believable..... I loved every minute of it so did Jane. Got some great pictures..... Are you going go compete again ??? Are there any pictures of you somewhere when you were competing ?? we (Jane and I) would love to see them.

Thanks again.
