CLEVELAND PUBLIC AUDITORIUM

PUBLIC HALL

500 LAKESIDE AVE.

CLEVELAND, OHIO 44114

PUBLIC HALL: This spacious and ideal arena sized venue is located in downtown Cleveland, Ohio! The Public Hall is part of the "Cleveland Public Auditorium" which was built in 1922. This iconic venue (The Beatles performed at this same venue in 1964!) was the site of the "2015 Rock & Roll Hall of Fame Inductions" ceremony and is a state of the art facility with a capacity of 10,000!

PLENTY OF CONVENIENT PARKING!!:

PARKING: There are 1,200 convenient parking spaces directly across the street in front of Public Hall at "Willard Parking Garage!" There are other parking garages located in the near vicinity of the venue as well.

FANS: All attending will have plenty of parking inside the parking garage across the street. The comfortable venue seats 10,000 with 1,000 seats on the floor and over 3,000 excellent seats on the first upper deck! The first 300 floor seats will be the VIP section for the best direct stage view!

SPONSORS/VENDORS: Sponsor's booths will be located inside the auditorium where the actual competition takes place. The Expo area is the first area ALL competitors, attendees and officials will walk through in order to see the contest! The booths will be half the auditorium floor as the remaining half will be seats for the event. This is an ideal set up for all sponsors, fans and athletes alike. There is an easy and convenient load-in area and dock (for trucks) which will be available Friday afternoon and Saturday morning the weekend of each event.

We are very committed in providing our generous sponsors with the very BEST and successful promotions possible! **PLENTY OF VENDOR SPACE AVAILABLE WITH IDEAL VISABLE LOCATIONS!**
